

## Directions to the Cobo Bay Hotel

### From the Airport:

Turn right out of the airport, and follow this road until you reach the coast at L'Eree. Turn right and stay on the coast road for approximately 4 miles, until you come across the Cobo Bay Hotel on the right hand side.

### From the Harbour:

Follow signs for Castel, West Coast and Cobo.

As you leave the pier, stay in the right hand lane as you approach the roundabout. Take the second exit (straight over), heading uphill. When you reach the top of the hill (The Grange), keep to the right and go straight through the filter as well as all subsequent traffic lights you pass. You will come to a dual carriageway; remain in the right hand lane and turn right, before keeping in the left hand lane to turn left at the next junction. This road will then take you to the coast road, at which point turn right, and the hotel is 50 metres up on the right hand side.

## Parking at the Cobo Bay Hotel

Upon your arrival at the hotel, our Reception team will be happy to offer you directions to our car park, located a short 5 minute stroll away on Rue de Bouverie. As this facility is for the exclusive use of our hotel residents, a remote control will be required to gain access, which is available in exchange for a £50 pre-authorisation on your credit or debit card. Your card will only be charged in the event that you damage or fail to return the remote control.

A limited number of parking spaces are also available at the front of the hotel, with priority given to disabled guests and those with limited mobility. If occupying one of these spaces at any time during your stay, please notify Reception and provide them with your registration number.
